Dear Applicant,

Thank you for contacting Friends of Dyslexia (FOD). We are pleased to be able to offer you the **possibility** of funding dyslexia tutoring. As you can imagine we get many applicants and funding is limited. We ask for some personal information so that we can make the funds raised by FOD help those with the greatest need.

Please complete the attached form as accurately as possible. In the interest of keeping your personal information safe and secure much of the personal information requested will not be kept by FOD but will be returned to you at the beginning of the application process. Members of the board will review the information, preferably with you and return any information that is not required once it has been confirmed. Please bring any documents that can support your application including the previous year's tax documents and anything else that impacts your financial situation and/or places undue financial hardship on your family.

Once the income and financial impact information has been verified, the application will be reviewed at the next FOD board meeting. We will contact you as soon as possible with the board's decision. Our intention is to complete this process as soon as possible.
